Designation of the entity or entities responsible for fulfilling the obligations arising from adherence to the Convention

1 Member countries shall notify the International Bureau, within six months of the end of Congress, of the name and address of the governmental body responsible for overseeing postal affairs. Within six months of the end of Congress, member countries shall also provide the International Bureau with the name and address of the operator or operators officially designated to operate postal services and to fulfil the obligations arising from the Acts of the Union on their territory. Between Congresses, changes in the governmental bodies and the officially designated operators shall be notified to the International Bureau as soon as possible.

Article 3

Universal postal service

1 In order to support the concept of the single postal territory of the Union, member countries shall ensure that all users/customers enjoy the right to a universal postal service involving the permanent provision of quality basic postal services at all points in their territory, at affordable prices.

2 With this aim in view, member countries shall set forth, within the framework of their national postal legislation or by other customary means, the scope of the postal services offered and the requirement for quality and affordable prices, taking into account both the needs of the population and their national conditions.

3 Member countries shall ensure that the offers of postal services and quality standards will be achieved by the operators responsible for providing the universal postal service.

4 Member countries shall ensure that the universal postal service is provided on a viable basis, thus guaranteeing its sustainability.

Article 4 Freedom of transit

1 The principle of the freedom of transit is set forth in article 1 of the Constitution. It shall carry with it the obligation for each **member country** to **ensure that its designated operators** forward, always by the quickest routes and the most secure means which **they use** for **their** own items, closed mails and à découvert letter-post items which are passed to **them** by another **designated operator**. This principle shall also apply to missent items and **misrouted** mails.

2 Member countries which do not participate in the exchange of letters containing **infectious** substances or radioactive substances shall have the option of not admitting these items in transit à découvert through their territory. The same shall apply to letter-post items other than letters, postcards and literature for the blind. It shall also apply to printed papers, periodicals, magazines, small packets and M bags the content of which does not satisfy the legal requirements governing the conditions of their publication or circulation in the country crossed.

3 Freedom of transit for postal parcels to be forwarded by land and sea routes shall be limited to the territory of the countries taking part in this service.

4 Freedom of transit for air parcels shall be guaranteed throughout the territory of the Union. However, member countries which do not operate the postal parcels service shall not be required to forward air parcels by surface.

5 If a member country fails to observe the provisions regarding freedom of transit, other member countries may discontinue their postal service with that **member** country.

Article 5 Ownership of postal items. Withdrawal from the post. Alteration or correction of address. Redirection. Return to sender of undeliverable items

1 A postal item shall remain the property of the sender until it is delivered to the rightful owner, except when the item has been seized in pursuance of the legislation of the country of origin or destination and, in case of application of article 15.2.1.1 or 15.3, in accordance with the legislation of the country of transit.

2 The sender of a postal item may have it withdrawn from the post or have its address altered or corrected. The charges and other conditions are laid down in the Regulations.

3 Member countries shall **ensure that their designated operators redirect** postal items if an addressee has changed his address, and return undeliverable items **to the sender**. The charges and other conditions are laid down in the Regulations.

Article 6 Charges

1 The charges for the various international postal and special services shall be set by the **member countries or their designated operators, depending on national legislation**, in accordance with the principles set out in the Convention and **its** Regulations. They shall in principle be related to the costs of providing these services.

2 The **member country** of origin **or its designated operator, depending on national legislation**, shall fix the postage charges for the conveyance of letter- and parcel-post items. The postage charges shall cover delivery of the items to the place of address provided that this delivery service is operated in the country of destination for the items in question.

3 The charges collected, including those laid down for guideline purposes in the Acts, shall be at least equal to those collected on internal service items presenting the same characteristics (category, quantity, handling time, etc.).

4 **Member countries or their designated operators, depending on national legislation,** shall be authorized to exceed any guideline charges appearing in the Acts.

5 Above the minimum level of charges laid down in 3, **member countries or their designated operators** may allow reduced charges based on their **national** legislation for letter-post items and parcels posted in **the territory of the member** country. They may, for instance, give preferential rates to major users of the Post.

6 No postal charge of any kind may be collected from customers other than those provided for in the Acts.

7 Except where otherwise provided in the Acts, each **designated operator** shall retain the charges which it has collected.

Article 7

Furthermore, letter-post items and postal parcels sent by the UPU International Bureau to Restricted Unions, **member countries and designated operators** shall be considered to be items relating to the postal service and shall be exempted from all postal charges. 2 Items submitted to customs control may be subjected to a presentation-to-Customs charge, the guideline amount of which is set in the Regulations. This charge shall only be col-

lected for the submission to Customs and customs clearance of items which have attracted customs charges or any other similar charge.

3 **Designated operators** which are authorized to clear items through the Customs on behalf of customers may charge customers a customs clearance fee based on the actual costs. **This fee may be charged for all items declared at Customs according to national legislation, including those exempt from customs duty. Customers shall be clearly informed in advance about the required fee.**

4 **Designated operators** shall be authorized to collect from the senders or addressees of items, as the case may be, the customs duty and all other fees which may be due.

Article 19

Exchange of closed mails with military units

1 Closed letter-post mails may be exchanged through the intermediary of the land, sea or air services of other countries:

1.1 between the post offices of any member country and the commanding officers of military units placed at the disposal of the United Nations;

1.2 between the commanding officers of such military units;

1.3 between the post offices of any member country and the commanding officers of naval, air or army units, warships or military aircraft of the same country stationed abroad;

1.4 between the commanding officers of naval, air or army units, warships or military aircraft of the same country.

2 Letter-post items enclosed in the mails referred to under 1 shall be confined to items addressed to or sent by members of military units or the officers and crews of the ships or aircraft to or from which the mails are forwarded. The rates and conditions of dispatch applicable to them shall be fixed, according to its regulations, by the **designated operator of the member** country which has made the military unit available or to which the ships or aircraft belong.

3 In the absence of special agreement, the **designated operator** of the **member** country which has made the military unit available or to which the warships or military aircraft belong shall be liable to the **designated operators** concerned for the transit charges for the mails, the terminal dues and the air conveyance dues.

Article 20

Quality of service standards and targets

1 **Member countries or their designated operators** shall establish and publish delivery standards and targets for their inward letter-post items and parcels.

2 These standards and targets, increased by the time normally required for customs clearance, shall be no less favourable than those applied to comparable items in their domestic service.

3 **Member countries or their designated operators** of origin shall also establish and publish end-to-end standards for priority and airmail letter-post items as well as for parcels and economy/surface parcels.

4 **Member countries or their designated operators** shall measure the application of quality of service standards.

Chapter 2

Liability

Article 21

Liability of **designated operators**. Indemnities

1 General

- 1.1 Except for the cases provided for in article 22, **designated operators** shall be liable for:
 - 1.1.1 the loss of, theft from or damage to registered items, ordinary parcels and insured items;
 - 1.1.2 the loss of recorded delivery items;
 - 1.1.3 the return of **registered items, insured items and ordinary parcels** on which the reason for non-delivery is not given.
- 1.2 **Designated operators** shall not be liable for items other than those mentioned in 1.1.1 and 1.1.2.
- 1.3 In any other case not provided for in this Convention, **designated operators** shall not be liable.
- 1.4 When the loss of or total damage to registered items, ordinary parcels and insured items is due to a case of force majeure for which indemnity is not payable, the sender shall be entitled to repayment of the charges paid **for posting the item**, with the exception of the insurance charge.
- 1.5 The amounts of indemnity to be paid shall not exceed the amounts mentioned in the Letter Post Regulations and the Parcel Post Regulations.
- 1.6 In cases of liability, consequential losses or loss of profits shall not be taken into account in the indemnity to be paid.
- 1.7 All provisions regarding liability of **designated operators** shall be strict, binding and complete. **Designated operators** shall in no case, even in case of severe fault, be liable above the limits provided for in the Convention and the Regulations.

2 Registered items

- 2.1 If a registered item is lost, totally rifled or totally damaged, the sender shall be entitled to an indemnity set in the Letter Post Regulations. If the sender has claimed an amount less than the amount set in the Letter Post Regulations, **designated operators** may pay that lower amount and shall receive reimbursement on this basis from any other **designated operators** involved.
- 2.2 If a registered item is partially rifled or partially damaged, the sender is entitled to an indemnity corresponding, in principle, to the actual value of the theft or damage.

3 Recorded delivery items

- 3.1 If a recorded delivery item is lost, totally rifled or totally damaged, the sender shall be entitled to refund of the charges paid **for posting the item** only.

4 Ordinary parcels

- 4.1 If a parcel is lost, totally rifled or totally damaged, the sender shall be entitled to an indemnity of an amount set in the Parcel Post Regulations. If the sender has claimed an amount less than the amount set in the Parcel Post Regulations, **designated operators** may pay that lower amount and shall receive reimbursement on this basis from any other **designated operators** involved.

4.2 If a parcel is partially rifled or partially damaged, the sender shall be entitled to an indemnity corresponding, in principle, to the actual value of the theft or damage.

4.3 **Designated operators** may agree to apply, in their reciprocal relations, the amount per parcel set in the Parcel Post Regulations, regardless of the weight.

5 Insured items

5.1 If an insured item is lost, totally rifled or totally damaged, the sender shall be entitled to an indemnity corresponding, in principle, to the insured value in SDRs.

5.2 If an insured item is partially rifled or partially damaged, the sender shall be entitled to an indemnity corresponding, in principle, to the actual value of the theft or damage. It may, however, in no case exceed the amount of the insured value in SDRs.

6 If a registered or insured letter-post item is returned and the reason for non-delivery is not given, the sender shall be entitled to a refund of the charges paid for posting the item only.

7 If a parcel is returned and the reason for non-delivery is not given, the sender shall be entitled to a refund of the charges paid by the sender for posting the parcel in the country of origin and the expenses occasioned by the return of the parcel from the country of destination.

8 In the cases mentioned in **2**, **4** and **5**, the indemnity shall be calculated according to the current price, converted into SDRs, of articles or goods of the same kind at the place and time at which the item was accepted for conveyance. Failing a current price, the indemnity shall be calculated according to the ordinary value of articles or goods whose value is assessed on the same basis.

9 When an indemnity is due for the loss of, total theft from or total damage to a registered item, ordinary parcel or insured item, the sender, or the addressee, as the case may be, shall also be entitled to repayment of the charges and fees paid **for posting the item** with the exception of the registration or insurance charge. The same shall apply to registered items, ordinary parcels or insured items refused by the addressee because of their bad condition if that is attributable to the postal service and involves its liability.

10 Notwithstanding the provisions set out under **2**, **4** and **5**, the addressee shall be entitled to the indemnity after delivery of a rifled or damaged registered item, ordinary parcel or insured item.

11 The **designated operator** of origin shall have the option of paying senders in its country the indemnities prescribed by its **national** legislation for registered items and uninsured parcels, provided that they are not lower than those laid down in **2.1** and **4.1**. The same shall apply to the **designated operator** of destination when the indemnity is paid to the addressee. However, the amounts laid down in **2.1** and **4.1** shall remain applicable.

11.1 in the event of recourse against the **designated operator** liable; or

11.2 if the sender waives his rights in favour of the addressee or vice versa.

12 Reservations concerning **the exceeding of deadlines for inquiries and** payment of indemnity to **designated operators, including the periods and conditions fixed in the Regulations, shall not** be made, except in the event of bilateral agreement.

Article 22

Non-liability of **member countries and designated operators**

1 **Designated operators** shall cease to be liable for registered items, recorded delivery items, parcels and insured items which they have delivered according to the conditions laid down in their regulations for items of the same kind. Liability shall, however, be maintained:

- 1.1 when theft or damage is discovered either prior to or at the time of delivery of the item;
- 1.2 when, internal regulations permitting, the addressee, or the sender if it is returned to origin, makes reservations on taking delivery of a rifled or damaged item;
- 1.3 when, internal regulations permitting, the registered item was delivered to a private mail-box and the addressee declares that he did not receive the item;
- 1.4 when the addressee or, in the case of return to origin, the sender of a parcel or of an insured item, although having given a proper discharge, notifies the **designated operator that delivered the item** without delay that he has found theft or damage. He shall furnish proof that such theft or damage did not occur after delivery. The term "without delay" shall be interpreted according to national law.

2 **Member countries and designated operators** shall not be liable:

- 2.1 in cases of force majeure, subject to article 13.6.9;
- 2.2 when they cannot account for items owing to the destruction of official records by force majeure, provided that proof of their liability has not been otherwise produced;
- 2.3 when such loss, theft or damage has been caused by the fault or negligence of the sender or arises from the nature of the contents;
- 2.4 in the case of items that fall within the prohibitions specified in article 15;
- 2.5 when the items have been seized under the legislation of the country of destination, as notified by the **member country or designated operator** of that country;
- 2.6 in the case of insured items which have been fraudulently insured for a sum greater than the actual value of the contents;
- 2.7 when the sender has made no inquiry within six months from the day after that on which the item was posted;
- 2.8 in the case of prisoner-of-war or civilian internee parcels;
- 2.9 when the sender's actions may be suspected of fraudulent intent, aimed at receiving compensation.

3 **Member countries and designated operators** shall accept no liability for customs declarations in whatever form these are made or for decisions taken by the Customs on examination of items submitted to customs control.

Article 23

Sender's liability

1 The sender of an item shall be liable for injuries caused to postal officials and for any damage caused to other postal items and postal equipment, as a result of the dispatch of articles not acceptable for conveyance or the non-observance of the conditions of acceptance.

2 In the case of damage to other postal items, the sender shall be liable for each item damaged within the same limits as **designated operators**.

3 The sender shall remain liable even if the office of posting accepts such an item.

4 However, where the conditions of acceptance have been observed by the sender, the sender shall not be liable, in so far as there has been fault or negligence in handling the item on the part of **designated operators** or carriers, after acceptance.

Article 24

Payment of indemnity

1 Subject to the right of recourse against the **designated operator** which is liable, the obligation to pay the indemnity and to refund the charges and fees shall rest either with the **designated operator** of origin or with the **designated operator** of destination.

2 The sender may waive his rights to the indemnity in favour of the addressee. Conversely, the addressee may waive his rights in favour of the sender. The sender or the addressee may authorize a third party to receive the indemnity if internal legislation allows this.

Article 25

Possible recovery of the indemnity from the sender or the addressee

1 If, after payment of the indemnity, a registered item, a parcel or an insured item or part of the contents previously considered as lost is found, the sender or the addressee, as the case may be, shall be advised that the item is being held at his disposal for a period of three months on repayment of the amount of the indemnity paid. At the same time he shall be asked to whom the item is to be delivered. In the event of refusal or failure to reply within the prescribed period, the same approach shall be made to the addressee or the sender as the case may be, granting that person the same period to reply.

2 If the sender and the addressee refuse to take delivery of the item or do not reply within the period provided for in paragraph 1, it shall become the property of the **designated operator** or, where appropriate, **designated operators** which bore the loss.

3 In the case of subsequent discovery of an insured item the contents of which are found to be of less value than the amount of the indemnity paid, the sender or the addressee, as the case may be, shall repay the amount of this indemnity against return of the item, without prejudice to the consequences of fraudulent insurance.

Chapter 3

Provisions specific to letter post

Article 26

Posting abroad of letter-post items

1 A **designated operator** shall not be bound to forward or deliver to the addressee letter-post items which senders residing in **the territory of its member country** post or cause to be posted in a foreign country with the object of profiting by the more favourable rate conditions there.

2 The provisions set out under 1 shall be applied without distinction both to letter-post items made up in the sender's country of residence and then carried across the frontier and to letter-post items made up in a foreign country.

3 The **designated operator** of destination may claim from the sender and, failing this, from the **designated operator** of posting, payment of the internal rates. If neither the sender nor the **designated operator** of posting agrees to pay these rates within a time limit set by the **designated operator** of destination, the latter may either return the items to the **designated operator** of posting and shall be entitled to claim reimbursement of the redirection costs, or handle them in accordance with its **national** legislation.

4 A **designated operator** shall not be bound to forward or deliver to the addressees letter-post items which senders post or cause to be posted in large quantities in a country other than the country where they reside if the amount of terminal dues to be received is lower than the sum that would have been received if the mail had been posted in the country where the senders reside. The **designated operator** of destination may claim from the **designated operator** of posting payment commensurate with the costs incurred and which may not exceed the higher of the following two amounts: either 80% of the domestic tariff for equivalent items, or **the rates applicable pursuant to articles 28.3 to 28.7 or 29.7, as appropriate**. If the **designated operator** of posting does not agree to pay the amount claimed within a time limit set by the **designated operator** of destination, the **designated operator** of destination may either return the items to the **designated operator** of posting and shall be entitled to claim reimbursement of the redirection costs, or handle them in accordance with its **national** legislation.

Part III

Remuneration

Chapter 1

Provisions specific to letter post

Article 27

Terminal dues. General provisions

1 Subject to exemptions provided in the Regulations, each **designated operator** which receives letter-post items from another **designated operator** shall have the right to collect from the dispatching **designated operator** a payment for the costs incurred for the international mail received.

2 For the application of the provisions concerning the payment of terminal dues **by their designated operators, countries and territories** shall be classified in accordance with the lists drawn up for this purpose by Congress in its resolution **C 18/2008, as follows:**

2.1 countries and territories in the target system prior to 2010;

2.2 countries and territories in the target system as of 2010 and 2012 (new target system countries);

2.3 countries and territories in the transitional system.

3 The provisions of the present Convention concerning the payment of terminal dues are transitional arrangements, moving towards a country-specific payment system **at the end of the transition period**.

4 Access to domestic services. **Direct access**

- 4.1 **In principle, each designated operator shall make available to the other designated operators all the rates, terms and conditions offered in its domestic service on conditions identical to those proposed to its national customers. It shall be up to the designated operator of destination to decide whether the terms and conditions of direct access have been met by the designated operator of origin.**
- 4.2 **Designated operators of countries in the target system shall make available to other designated operators the rates, terms and conditions offered in their domestic service, on conditions identical to those proposed to their national customers.**
- 4.3 **Designated operators of new target system countries may opt not to make available to other designated operators the rates, terms and conditions offered in their domestic service on conditions identical to those proposed to their national customers. Those designated operators may, however, opt to make available to a limited number of designated operators the application of domestic conditions, on a reciprocal basis, for a trial period of two years. After that period, they must choose either to cease making available the application of domestic conditions or to continue to make their own domestic conditions available to all designated operators. However, if designated operators of new target system countries ask designated operators of target system countries for the application of domestic conditions, they must make available to all designated operators the rates, terms and conditions offered in their domestic service on conditions identical to those proposed to their national customers.**
- 4.4 **Designated operators of countries in the transitional system may opt not to make available to other designated operators the application of domestic conditions. They may, however, opt to make available to a limited number of designated operators the application of domestic conditions, on a reciprocal basis, for a trial period of two years. After that period, they must choose either to cease making available the application of domestic conditions or to continue to make their own domestic conditions available to all designated operators.**
- 5 Terminal dues remuneration shall be based on quality of service performance in the country of destination. The Postal Operations Council shall therefore be authorized to supplement the remuneration in articles 28 and 29 to encourage participation in monitoring systems and to reward **designated operators** for reaching their quality targets. The Postal Operations Council may also fix penalties in case of insufficient quality, but the remuneration shall not be less than the minimum remuneration according to articles 28 and 29.
- 6 Any **designated operator** may waive wholly or in part the payment provided for under 1.
- 7 **For M bags, the terminal dues rate to be applied shall be 0.793 SDR per kilogramme. M bags weighing less than 5 kilogrammes shall be considered as weighing 5 kilogrammes for terminal dues payment purposes.**
- 8 **For registered items there shall be an additional payment of 0.55 SDR per item for 2010 and 2011 and 0.6 SDR for 2012 and 2013. For insured items, there shall be an additional payment of 1.1 SDR per item for 2010 and 2011 and 1.2 SDR for 2012 and 2013. The Postal Operations Council shall be authorized to supplement remuneration for these and other supplementary services where the services provided contain additional features to be specified in the Letter Post Regulations.**
- 9 **Any designated operator** may, by bilateral or multilateral agreement, apply other payment systems for the settlement of terminal dues accounts.
- 10 **Designated operators may exchange non-priority mail on an optional basis by applying a 10% discount to the priority terminal dues rate.**

11 Designated operators may exchange format-separated mail on an optional basis at a discounted terminal dues rate.

12 The provisions applicable between designated operators of countries in the target system shall apply to any designated operator of a country in the transitional system which declares that it wishes to join the target system. The Postal Operations Council may set transitional measures in the Letter Post Regulations. The full provisions of the target system may apply to any new target designated operator that declares that it wishes to apply such full provisions without transitional measures.

Article 28

Terminal dues. Provisions applicable to **mail flows** between **designated operators of** countries in the target system

1 Payment for letter-post items, including bulk mail but excluding M bags **and IBRS items**, shall be established on the basis of the application of the rates per item and per kilogramme reflecting the handling costs in the country of destination; these costs must be **related to** the domestic tariffs. The rates shall be calculated in accordance with the conditions specified in the Letter Post Regulations.

2 Payment for IBRS items shall be as described in the Letter Post Regulations.

3 The rates per item and per kilogramme shall be calculated on the basis of a percentage of the charge for a 20-gramme priority letter in the domestic service, which shall be 70% for countries in the target system prior to 2010 and 100% for countries entering the target system from 2010 or 2012 (new target system countries).

4 The Postal Operations Council will conduct a study of the cost of handling inbound mail during 2009 and 2010. If this study reveals a percentage different from the 70% set out under paragraph 3, the POC shall consider whether to change the percentage of the charge for a 20-gramme priority letter for the years 2012 and 2013.

5 From the charge used for the calculation in paragraph 3 above, 50% of the VAT or other taxes shall be excluded for the years 2010 and 2011, and 100% for the years 2012 and 2013.

6 The rates applied for flows between countries in the target system prior to 2010 may not be higher than:

6.1 for the year **2010**, **0.253** SDR per item and **1.980** SDR per kilogramme;

6.2 for the year **2011**, **0.263** SDR per item and **2.059** SDR per kilogramme;

6.3 for the year **2012**, **0.274** SDR per item and **2.141** SDR per kilogramme;

6.4 for the year **2013**, **0.285** SDR per item and **2.227** SDR per kilogramme.

7 The rates applied for flows between countries in the target system prior to 2010 may not be lower than the rates in 2009, prior to application of the quality of service link. The rates may also not be lower than:

7.1 for the year **2010**, **0.165** SDR per item and **1.669** SDR per kilogramme;

7.2 for the year **2011**, **0.169** SDR per item and **1.709** SDR per kilogramme;

7.3 for the year **2012**, **0.173** SDR per item and **1.750** SDR per kilogramme;

7.4 for the year **2013**, **0.177** SDR per item and **1.792** SDR per kilogramme.

8 The rates applied for flows to, from or between new target system countries, other than for bulk mail, shall be:

8.1 for the year 2010: 0.155 SDR per item and 1.562 SDR per kilogramme;

8.2 for the year 2011: 0.159 SDR per item and 1.610 SDR per kilogramme;

8.3 for the year 2012: 0.164 SDR per item and 1.648 SDR per kilogramme;

8.4 for the year 2013: 0.168 SDR per item and 1.702 SDR per kilogramme.

9 The payment for bulk mail shall be established by applying the rates per item and per kilogramme provided for in article 28, paragraphs 3 to 7.

10 For registered or insured items not carrying a barcoded identifier or carrying a barcoded identifier that is not compliant with UPU Technical Standard S10, there shall be a further additional payment of 0.5 SDR per item unless otherwise bilaterally agreed.

11 No reservations may be made to this article, except within the framework of a bilateral agreement.

Article 29

Terminal dues. Provisions applicable to mail flows to, from and between **designated operators of countries in the transitional system**

1 In preparation for the entry into the target system of the designated operators of countries in the terminal dues transitional system, payment for letter-post items, including bulk mail but excluding M bags and IBRS items, shall be established on the basis of yearly increases of 2.8% on the adjusted 2009 rates, using the worldwide average of 14.64 items per kilogramme.

2 Payment for IBRS items shall be as described in the Letter Post Regulations.

3 The rates applied for flows to, from and between countries in the transitional system shall be:

3.1 for the year 2010: 0.155 SDR per item and 1.562 SDR per kilogramme;

3.2 for the year 2011: 0.159 SDR per item and 1.610 SDR per kilogramme;

3.3 for the year 2012: 0.164 SDR per item and 1.648 SDR per kilogramme;

3.4 for the year 2013: 0.168 SDR per item and 1.702 SDR per kilogramme.

4 For flows below 100 tonnes a year, the per kilogramme and per item components shall be converted into a total rate per kilogramme on the basis of a worldwide average of 14.64 items per kilogramme. The following rates shall apply:

4.1 for the year 2010: 3.831 SDR per kilogramme;

4.2 for the year 2011: 3.938 SDR per kilogramme;

4.3 for the year 2012: 4.049 SDR per kilogramme;

4.4 for the year 2013: 4.162 SDR per kilogramme.

5 For mail flows over 100 tonnes per year, the flat rate per kilogramme listed above shall be applied if neither the origin designated operator nor the destination designated operator requests the revision mechanism in order to revise the rate on the basis of the actual number of items per kilogramme, rather than the worldwide average. The sampling for the revision mechanism shall be applied in accordance with the conditions specified in the Letter Post Regulations.

6 The downward revision of the total rate in paragraph 4 may not be invoked by a country in the target system against a country in the transitional system unless the latter asks for a revision in the opposite direction.

7 The payment for bulk mail to designated operators of countries in the target system shall be established by applying the rates per item and per kilogramme provided for in article 28. For bulk mail received, designated operators in the transitional system may request payment according to paragraph 3.

8 No reservations may be made to this article, except within the framework of a bilateral agreement.

Article 30

Quality of Service Fund

1 Terminal dues payable by all countries and territories to the countries **classified by Congress as group 5 countries for terminal dues and the Quality of Service Fund (QSF)**, except for M bags, **IBRS items** and bulk mail items, shall be increased by **20%** of the rates given in article 29 for payment into the Quality of Service Fund (QSF) for improving the quality of service in **group 5 countries**. There shall be no such payment from one **group 5 country** to another **group 5 country**.

2 Terminal dues, except for M bags, **IBRS items** and bulk mail items, payable by countries and territories classified by Congress as group 1 countries to the countries classified by Congress as group 4 countries shall be increased by **10%** of the rates given in article 29, for payment into the QSF for improving the quality of service in group 4 countries.

4 Terminal dues, except in respect of M bags, **IBRS items** and bulk mail items, payable by countries and territories classified by Congress as group 1 countries which were in the target system prior to 2010 to the countries classified by Congress as group 3 countries shall be increased by **8%** of the rates given in article 29, for payment into the QSF for improving the quality of service in group 3 countries.

5 Terminal dues, except in respect of M bags, **IBRS items** and bulk mail items, payable by countries and territories classified by Congress as group 1 countries which will join the target system in 2010 to the countries classified by Congress as group 3 countries shall be increased by **4%** of the rates given in article 29, for payment into the QSF for improving the quality of service in group 3 countries.

6 As of 1 January 2012, terminal dues, except in respect of M bags, **IBRS items** and bulk mail items, payable by countries and territories classified by Congress as group 2 countries to the countries classified by Congress as group 3 countries shall be increased by **4%** of the rates given in article 29, for payment into the QSF for improving the quality of service in group 3 countries.

7 Terminal dues, except in respect of M bags, **IBRS items** and bulk mail items, payable by countries and territories classified by Congress as group 1 countries to the countries classified by Congress as group 2 countries which benefited from an **8%** increase prior to 2010, shall be increased in 2010 and 2011 by **4%** of the rates given in article 29,

and in 2012 and 2013 by 2% of the rates given in article 28.8, for payment into the QSF for improving the quality of service in group 2 countries.

9 The combined terminal dues payable into the QSF for improving the quality of service of countries in groups 2, 3, 4 and 5 shall be subject to a minimum of 12,565 SDR per annum for each beneficiary country. The additional funds needed for reaching this minimum amount shall be invoiced, in proportion to the volumes exchanged, to the countries in the target system prior to 2010.

10 Regional projects should in particular promote the implementation of UPU quality of service improvement programmes and the introduction of cost accounting systems in developing countries. The Postal Operations Council shall adopt, in **2010** at the latest, procedures for financing these projects.

Article 31

Transit charges

1 Closed mails and à découvert transit items exchanged between two **designated operators** or between two offices of the same **member** country by means of the services of one or more other **designated operators** (third party services) shall be subject to the payment of transit charges. The latter shall constitute remuneration for the services rendered in respect of land transit, sea transit and air transit. **This principle shall also apply to missent items and misrouted mails.**

Chapter 2

Other provisions

Article 32

Basic rates and provisions concerning air conveyance dues

1 The basic rate applicable to the settlement of accounts between **designated operators** in respect of air conveyance shall be approved by the Postal Operations Council. It shall be calculated by the International Bureau according to the formula specified in the Letter Post Regulations.

2 The calculation of air conveyance dues on closed dispatches, priority items, airmail items and air parcels sent in transit à découvert, **missent items and misrouted mails**, as well as the relevant methods of accounting, are described in the Letter Post and Parcel Post Regulations.

3 The air conveyance dues for the whole distance flown shall be borne:

3.1 in the case of closed mails, by the **designated operator** of the country of origin of the mails, including when these mails transit via one or more intermediate **designated operators**;

3.2 in the case of priority items and airmail items in transit à découvert, including missent items, by the **designated operator** which forwards the items to another **designated operator**.

4 These same regulations shall be applicable to items exempted from land and sea transit charges if they are conveyed by air.

5 Each **designated operator** of destination which provides air conveyance of international mail within its country shall be entitled to reimbursement of the additional costs incurred for such conveyance provided that the weighted average distance of the sectors flown exceeds 300 kilometres. The Postal Operations Council may replace the weighted average distance by other relevant criteria. Unless agreement has been reached that no charge should be made, the dues shall be uniform for all priority mails and airmails originating abroad whether or not this mail is reforwarded by air.

6 However, where the terminal dues levied by the **designated operator** of destination are based specifically on costs or on domestic rates, no additional reimbursement for internal air conveyance shall be made.

7 The **designated operator** of destination shall exclude, for the purpose of calculating the weighted average distance, the weight of all mails for which the terminal dues calculation has been based specifically on costs or on the domestic rates of the **designated operator** of destination.

Article 33

Parcel post land and sea rates

1 Parcels exchanged between two **designated operators** shall be subject to inward land rates calculated by combining the base rate per parcel and base rate per kilogramme laid down in the Regulations.
